Sizes: *Mini (21"), Compact (26"), Large (32") and Extra Large (36") & Peninsula available. Fireplaces often correspond to the width of the viewing area. For instance, a 32" gas fireplace, in most cases, measures 32" across the opening.*

Wall or Corner: *Cabinet mantels are available in regular wall models or corner models for installations where space is premium.*

Choice of Styles and Finishes: *A variety of styles and finishes are available to select from.*

Ready To Go: *All cabinet mantels include a matching base. Decorative trim in either black or brass is available to cover the gap between certain gas fireplaces and the mantel.*
