

Monessen Vent Free Gas Logs

WARMTH. AMBIANCE. CONVENIENCE.

Magnum (MCUF36) firebox with Charisma log set

THE BENEFITS OF CHOOSING MONESSEN

All of our vent free gas log sets offer:

THE REAL DEAL

Inspired by nature and hand-painted for incredible realism and lifelike detail, every set has a truly unique and authentic look.¹

THE LATEST TECHNOLOGY

A pioneer in vent free gas log manufacturing, Monessen is always on the cutting edge of log design. We utilize the latest material and technologies to provide authentic detail, lifelike glow, and unmatched realism.

MAXIMUM SAVINGS

With a remarkable 99% efficiency rating, Monessen vent free gas log sets maximize heating operation to provide optimum fuel savings.

INSTALL ALMOST ANYWHERE

Our log sets allow for installation in any existing approved firebox without the need for venting — making them a terrific choice for just about any room in your home. (All available for natural gas or propane.)

Beachcomber log set (BC-R)
shown on cover

LUXURY SERIES

MOJO BURNER

Our designer log set offers up to 38,000 BTUs, instant dancing yellow flames, flickering embers and standard grate for an incredibly realistic look. Its robust design makes the Mojo the perfect choice for taller fireplace openings.

Mojo Vent Free Log Set (MJ27) ►

- EXCLUSIVE Natural Blaze™ Technology
- Massive random stack fiber log set
- Ceramic fiber reflects more heat
- Hi/Lo thermostatic remote control
- Includes grate, volcanic rock, rock wool and embers

SPECIALTY OPTION

NATURAL BLAZE BURNER

For see-through fireplaces, this log set has a unique design on both sides for a truly authentic stack, no matter how you look at it.

See-Through Log Set (NBST27) ►

- EXCLUSIVE Natural Blaze Technology
- Ceramic fiber reflects more heat
- Available in millivolt control
- Includes volcanic rock, rock wool embers and ember bed log switch

DELUXE SERIES

NATURAL BLAZE BURNER

Our Beachcomber, Riverwood, Kentucky Wildwood, Stony Creek, Highland Oak and Berkley Oak log sets feature three log material options, exclusive technology from Monessen, and a more robust look, making them perfect for larger fireplaces. No chimney or venting makes installation fast, easy and affordable in almost any space.

All Deluxe Series vent free log sets feature:

- EXCLUSIVE Natural Blaze Technology
- EXCLUSIVE Signature Command® system or millivolt control
- Cast iron grate standard with burner
- Volcanic rock, rock wool embers and ember bed log switch

EXCLUSIVE Natural Blaze Technology

This innovative burn system provides taller, more lively flames, creating a realistic, moving fire. Achieving beautiful yellow flames instantly, Natural Blaze technology produces an authentic fire, every time.

EXCLUSIVE Signature Command System

With electronic ignition, this system lights the pilot only when you turn it on, saving energy. It's battery operated, so you can be assured of fireplace operation even if the power goes out. And with three-step flame height adjustment and optional touchscreen remote, you'll have the ultimate in fireplace control at your fingertips.

Aria (VFF) fireplace with Black porcelain interior panels and Beachcomber log set

BURNCRETE® TECHNOLOGY Unparalleled detail and superior strength for lasting beauty.

▲ **Beachcomber Log Set (BC-R)**

- Driftwood style six-piece log set with serene colors, rich detail and an authentic stack
