

VRE3000 SERIES

 MERIT SERIES VENT-FREE GAS FIREPLACE SYSTEMS

OUTDOOR

Our name is our promise.

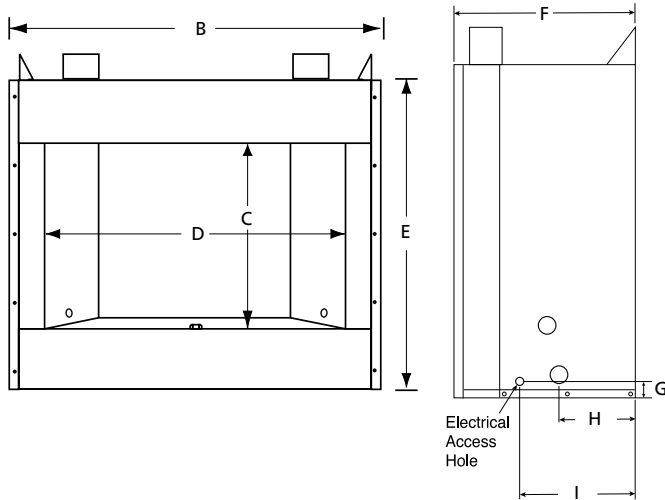

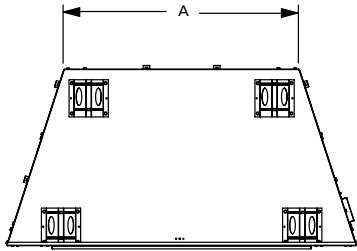

TRADITIONAL

Soothing images of a “split oak” log set, glowing ember bed and smoked-brick interior capture the feel of a real wood-burning fire.

FEATURES

-  Clean, brushed stainless steel faces and mesh spark screens
-  Screens tuck out of sight behind hidden side pockets to maximize the beauty of the fireplace
-  Features the industry's finest colored and textured refractory brick liner for a true masonry look
-  Integrated gas log sets feature intricately detailed bark, split wood and charred textures
-  Random dancing yellow flames with a deep glowing ember bed complete the full and realistic flame
-  Available in 36" and 42" models

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer. Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
