

SAN JUAN FIREPLACE

Make your backyard an unforgettable place to relax

Bring a feeling of warmth to your backyard! With a unique arch design, the San Juan Fireplace is a beautiful addition to your *Outdoor GreatRoom™*. The high-heat output will warm you and your guests so everyone can enjoy those cool nights. You won't believe how quickly you can transform your backyard into a wonderful sanctuary for family and friends.

NOTE: Printing color may vary slightly from actual product.

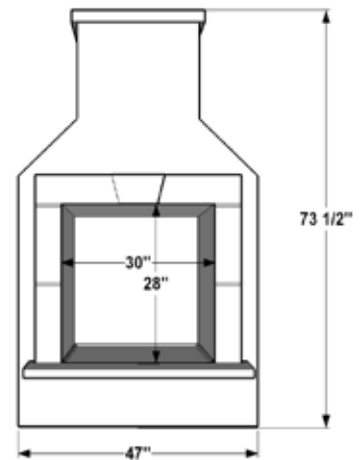

The San Juan Features

- Galvanized frame system with Hardibacker board and exterior stucco finish
- Glass fiber reinforced concrete mantel and top cap
- Gas log set is completely vent free and does not require a chimney
- Log set comes with a wind resistant pilot light
- Fire burns over 8 hours with a 20-pound tank
- Can be used on any flat surface, such as deck, concrete and brick pavers
- Stucco can be painted (but not the GFRC pieces)
- Easy 1-hour assembly
- 1 year warranty
