## SVA025

Mini Vehicle Camera with 10m IR Night Vision

## BEFORE YOU BEGIN

- Please unpack the box carefully and identify that all the parts are present.
- The camera is suitable for indoor or outdoor use.
- Make sure you use the recommended power input. Damage caused to the camera by incorrect voltage is not covered by the warranty.
- Do not attempt to open the casing to access the camera. Damage caused to the camera by tampering with the camera casing is not covered by the warranty.

## Product Description

The SVA025 is a high quality Day/Night camera with 120° viewing angle and 10 metres IR night vision. It is designed for internal mounting inside a vehicle to watch the contents/occupants during the day or night. The camera can also be mounted externally and is ideal for viewing the area to the rear of a vehicle.

It features heavy duty casing for extra durability. Supplied complete with 6.5 metres of cable for easy installation.

The SVA025 can be used with the Smart Witness 4 Camera Vehicle Journey Recorder (Model: SVC400GPS).
