OUTDOOR KITCHENS

THE INSIDE STORY

A truly great barbecue is as beautiful on the inside as it is on the outside. Here's a taste of what goes into making a BeefEater barbecue so brilliant.

RF TECHNOLOGY® RUST FREE COOKTOPS

Kiss rusty cooktops goodbye. Ours are made from porcelain enamel coated cast-iron, one of the toughest coatings available. Solid stainless steel cooktops are also an option.

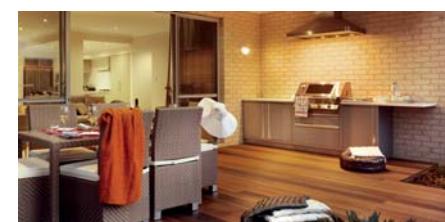

VAPORIZER® GRID & REFLECTOR SYSTEM WITH ANTI-FLARE TECHNOLOGY

Patent pending anti-flare technology reduces annoying flare up and heat loss for faster cooking and superior fuel economy.

INFRARED RADIANT BURNERS^

Our unique, patented radiant burner delivers high intense uniform heat with low flare-up. It's commercial quality and a real flavour enhancer. Solid cast stainless steel burners are also an option.

SIGNATURE SERIES STAINLESS STEEL LIFETIME WARRANTY

Our quality 304 grade stainless steel construction and components come with a lifetime warranty. It's corrosion resistant, hygienic and easy to maintain.

SIGNATURE SERIES PORCELAIN ENAMEL 10 YEAR WARRANTY

Hygienic, durable, scratch and scorch resistant – porcelain enamel is one of the toughest easy-care finishes for outdoor appliances.

DISCOVERY SERIES 5 YEAR STAINLESS STEEL WARRANTY

Discovery barbecues are covered by a no-nonsense 5 year limited warranty on the stainless steel finish, with a full warranty plan on all other components.

DISCOVERY SERIES 5 YEAR PORCELAIN ENAMEL WARRANTY

Discovery barbecues are covered by a no-nonsense 5 year limited warranty.

INTEGRATED CONVECTION ROASTING HOOD

In porcelain enamel or stainless steel. It's juicy-cooking. Removable. And has an on-board temperature gauge and warming rack.

HIGH OUTPUT SIDE BURNER

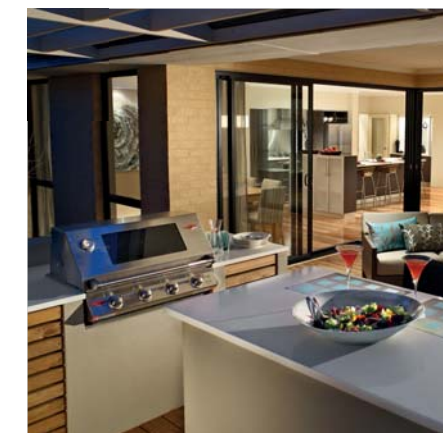

Ideal for whipping up tasty stir-fries, sauces, or steaming. Heat output 21 MJ/hr. 19900 BTU.

INTEGRATED QUARTZ START® IGNITION

Our innovative titanium-coated system ensures long life and trouble free starting. No fiddly batteries or buttons.

THE ULTIMATE OUTDOOR HAVEN

SIGNATURE SERIES MODULAR OUTDOOR KITCHEN

This is where we took our idea of a great barbecue, and made it bigger. A lot bigger!

This is BeefEater's Outdoor Kitchen Centre. You might want to hold the brochure a little further back, just to take it all in. Amazing, isn't it?

Ahead of its time, this exceptional entertainer is the work of an iconic Australian company, Beefeater Barbecues. It's pure Aussie ingenuity at work.

The great outdoors just got even greater!

A BeefEater outdoor kitchen will make your backyard look like a fancy resort. Imagine breakfast by the pool, dinner under the stars, a cold glass of wine from your outdoor fridge, or simply firing up a few steaks with friends and family.

Sounds good? Then check out our stylish BeefEater Signature Series – it's true blue Aussie brilliance! Add value to your home and impress all your foodie friends. From mouth-watering roasts to top class steaks, it's an entertainer's dream!

*Benchtop shown is a custom design sold separately.
Only available with 2 & 4 burner BBQ.

YOU CAN START SMALL

Start your outdoor kitchen with one of BeefEater's 2 or 4 burner 3000s built-in barbecue units. With a stainless steel convection roasting hood and an optional viewing window, it's the perfect start.

THEN THROW IN THE KITCHEN SINK

ADD A BAR FRIDGE, OR TWO

The perfect combo. Keep your bar fridge, barbecue utensils or even a dishwasher neatly hidden away inside our matching silver powder-coated cabinet modules with anodised aluminium easy touch handles. Add as many as you need.

HOW 'BOUT A FEW EXTRA DRAWERS HERE, A CABINET THERE.

Configure your BeefEater outdoor kitchen however you like. Add a high output stainless steel side burner or a second barbecue, even a modular sink unit for convenience. The choice is yours with BeefEater outdoor kitchen modules.

Modules pictured above show custom granite bench tops purchased separately. For outdoor use only.

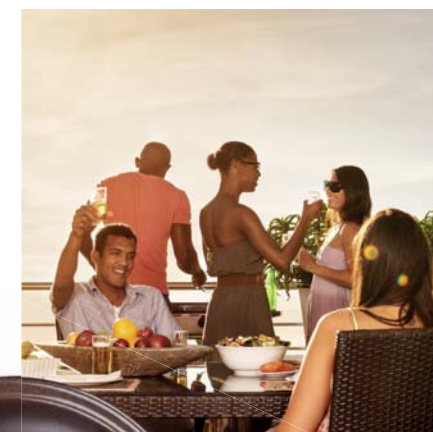

ALFRESCO ENTERTAINING AT ITS BEST

We've got side burners, cabinets, storage, drawers, fridges, sinks and more!

Up here in ultimate outdoor kitchen land is where our "build your own" philosophy really comes into its own. There's so much to play with. Fancy a four burner module? Maybe a two burner will do.

Need somewhere to house a fridge? Got that. How about space for a wine chiller? Got it. Left or right hand opening doors? Got that too.

The solid, integrated, modular construction also means it's quick and easy to install... which means you'll be cooking in no time.

DIMENSIONS AND SPECIFICATIONS

Signature Series Outdoor Kitchens Modular sizes and configurations

Right about now you'd be pretty pumped about getting on with the outdoor kitchen of your dreams. So we've provided a few dimension and specs to get you started with the design. First, decide on the type of kitchen you'd like – fully modular or the built-in. Then, go measure the actual space and away you go!

Problems? No biggie. Your BeefEater specialist dealer can give you a hand and help you with the design.
