

Yamaha Tracer 900 / 900 GT Special Fitment Photos

To ensure your complete satisfaction with the World Sport Performance Seat for this model, we are providing these detailed images for your reference. **NOTE: The fit at the tank of the Sargent Seat is different than that of the stock seat.** These images also show the seat in both the high and low position. Also, this offering is only available as the 2-piece set to ensure a cohesive fit, appearance, and improved rider & passenger comfort. Upholstery treatments shown are Performance PLUS with the DTX seating inserts and GRIPZONES for improved traction.
